VERSE OF THE WEEK

But avoid foolish disputes, genealogies, contentions, and strivings about the law; for they are unprofitable and useless. Reject a divisive man after the first and second admonition, knowing that such a person is warped and sinning, being self-condemned.

Dear Parent/Guardian:

Free vision screening will be offered to your child by your local Lions Club in association with the Florida KidSight Foundation. The screening is performed by use of a photo-screener that takes a picture of your child's eyes and digitally determines if a potential eye problem that causes amblyopia (lazy eye that may lead to blindness) exists. **NO physical contact is made with your child and eye drops are not used.** The screening will be done during preschool/school hours.

PLEASE PRINT CLEARLY. THANK YOU!

Parent/Guardian Authorization I understand the following regarding the free screening and give permission for my child to be screened:

- a. This screening is not a full eye exam, so it may not detect all eye problems. If further care is needed, I am responsible for arranging it. **For assistance, contact Satellite Beach Lions Club, Steve Tarr at (610) 742-7878.**
- b. When the screening device issues a "REFER" result, this form and the measurement data are sent to the Florida KidSight Foundation office. No data is sent if a "PASSED" reading is given.
- c. If results are forwarded for verification, I will receive a letter with the screening outcome and recommended actions.
- d. If a vision problem is found and my child has a full eye exam, the doctor can share results with the Florida KidSight Foundation, screening volunteers, and Lions Club KidSight Vision Screening Teams for verification and correlation.
- e. The Florida KidSight Foundation and Lions Club store screening data for follow-up, reporting totals, and tracking inconclusive results.
- f. All shared information and screening results are kept confidential.
- g. The Lions Club representatives and/or KidSight volunteers conducting the screening will not be held accountable or liable for any errors of commission, omission or other misdiagnosis as they are volunteers involved in providing humanitarian service to their community

Senior Spotlight

Senior Kristan Human is most passionate about reading and teaching. One thing that people may be surprised to learn about her is that she has read over 100 books over the past 3 years, that's a lot of books! Some advice that she would give to the younger students at TCS is to "not listen to the people who put you down. It might hurt your feelings, but at the end of the day, they need Jesus!" A dream of Kristan's is to one day publish her own book.
