Little Lions Speak

I INTERVIEWED FOUR PEOPLE IN FIRST AND SECOND GRADE AND ASKED THEM WHAT THEIR FAVORITE GAME WAS.

MAISIE BRUTON AND ANDREW SALAZAR IN FIRST GRADE SAID THAT ROBLOX WAS THEIR FAVORITE GAME, WHILE MICHAEL RILEY AND VIVIAN MAGGARD IN SECOND GRADE ALSO SAID ROBLOX WAS THEIR FAVORITE GAME. IT SEEMS ROBLOX IS POPULAR AMONG THE LITTLE LIONS.

BY KEVIN
DOUGLAS

I asked students from grades 3 through 11 “What's the best advice a teacher has given you?” and this is what they said...

Hadlie Hawthorn in 3rd grade said the best advice given to her was that “she can do this”, while Gianni Avila in 6th grade said the best advice given to him was “to pay attention and take notes”.

Devin Cruz said the best advice given to him was “to get to class on time”, and Colten Nadzam said the best advice given to him was “to not second guess yourself”.

Senior Spotlight

Hope Byrnes is passionate about God, volleyball, and coffee. She said Mrs. Sandwich, Mr. Brunner, and Mrs. Stoner have had the biggest influence on her because they all treated her with kindness and encouraged her in so many ways. Her advice for younger TCS students is to not procrastinate and to get out of your comfort zone! Mrs. Brunner has had a lasting impact on her because she's a great teacher who is kind, caring, and understanding but also holds you to the highest standard she thinks you can achieve. The one thing Hope is going to miss from TCS is the community. In 10 years she sees herself being a nurse, married with one or two kids, and a nice house.
